

Agreement (Health Professionals Collective Agreement)

This agreement is made between Newfoundland and Labrador Association of Public and Private Employees (NAPE) and Government of Newfoundland and Labrador (GNL), hereafter referred to as “the parties”.

The parties hereby agree to the following:

1. Extension of Collective Agreement

The parties agree to an extension of the collective agreement to March 31, 2022.

Furthermore, the parties agree that, save and except the amendments captured within this agreement, the collective agreements will remain the same and will continue in full force and effect until March 31, 2022.

2. Salary Implementation Formula (Schedule C)

April 1, 2020 - 2%

April 1, 2021 - 1%

October 1, 2021 - 1%

3. Joint Trusteeship for Group Insurance

The parties agree to establish a committee to assess the potential viability of establishing a joint trust arrangement for managing group insurance programs.

The committee will be established by December 31, 2020 and will conclude its work by December 31, 2021.

4. Pension Plan Saving Associated with CPP Changes

The parties acknowledge that changes have been made to the Canada Pension Plan (CPP). These changes include equal increases in future contributions for both employees and Government. Likewise, benefits paid from the CPP will increase. These changes are phased in starting in 2019 and will be fully implemented in 2025.

The current provisions of the Public Service Pension Plan (PSPP) are integrated with the old CPP provisions. Without modifying the PSPP, the contributions and benefits of the combined PSPP and CPP would be greater than what was contemplated under pension reform.

As a result, the parties agree to the following:

- No later than August 31, 2020, the parties bring this issue to the Joint Sponsorship Body with the intent to identify what adjustments can be made to the contributions and future benefits of the PSSP to maintain the same level of benefits for the combined PSPP and CPP.
- Contribution and benefit accrual changes only apply to future service. Past service benefits accrued will be maintained under prior formula up until the changeover date.

5. Changes to Group Insurance Program

The parties agree to amend the Letter of Understanding Re: Other Post-Employment Benefits (“OPEB”) Eligibility as follows:

- a) All current employees as March 31, 2020 will be eligible for 50/50 premium sharing if they qualify for post employment benefit coverage.
- b) All employees hired after March 31, 2020 will share 60% (employee) and 40% (employer) if they qualify for post employment benefit coverage.

Notwithstanding the above, the Employer maintains its right to administer and/or modify the post employment group insurance programs.
