

NAPE Members,

I would like to welcome all delegates to the 24th Biennial Convention of NAPE. As much as I like meeting people and chatting with you in person, we are unable to do it this year but the work of the Union must go on. Hopefully, by the next Convention we'll be back to normal.

The past year and a half has been interesting to say the least, but NAPE's Staff, Executive, and Board of Directors have continued to work on behalf of our members. It hasn't been easy with all the stops and starts that the Public Health officials have had to implement throughout the Province at various times. Thanks to our wonderful Local Officers and all the great activists within our Locals, we've shouldered.

I would like to thank the Staff of the Corner Brook and St. John's offices for all their help and support over the past two years. Our Staff are second to none and during these past two years that has been proven time and time again. I would also like to thank President Jerry Earle, Secretary/Treasurer Trevor King and the Board of Directors for the decision to move forward with the new NAPE Building in Corner Brook.

I would like to take this opportunity to thank Western Vice President Joanne Miles for her hard work on behalf of all the members in the Western Region. Joanne, I want to thank you for your leadership and your friendship over the years, and wish you a long and happy retirement.

To the delegates in Regions 1, 2, and 8, I know I can work well with all of the Board Members in the Western Region for the good and betterment of our members.

I will be offering myself for the position of Western Vice President at this Convention and respectfully ask for your support.

In Unionism,  
Daniel Quilty  
REGION 1 BOARD MEMBER
