

Good afternoon Brothers and Sisters,

I would like to welcome you all to the 24<sup>th</sup> Biennial Convention.

My name is Glenda Wall and I am a proud NAPE member for over 30 years. I am currently employed as a Client Service Officer with Children, Seniors & Social Development in Corner Brook. I first became involved with NAPE when I took on the role of Shop Steward 29 years ago, since that time I have also held various roles on the Executive of Local 1104 of which I am currently President.

I pride myself on being a strong union activist and strive for equality, fairness and a strong voice for members. I have been actively engaging our young members to become active and get involved as they are the future of NAPE.

I have also had the privilege to sit on NAPE's Constitution Committee for two terms as well as the Legislation Committee for one term. In 2021, I was selected to sit on the newly formed Anti-Racism Committee. We made a small contribution but much work is yet to be done on this important issue.

I am confident, that I have the knowledge, ability and compassion to be a strong representative for the Western Area. Given the opportunity I will be a strong voice for our members and will ensure your concerns are heard and addressed.

I respectfully ask for your consideration on voting day.

In Solidarity,

Glenda Wall
