

NAPE Members,

Welcome to all Delegates to the 24th Biennial Convention of the Newfoundland and Labrador Association of Public and Private Employees. My name is Kim Ennis, and I would like to put myself forward for the seat of Eastern Area Board Member on NAPE's board of directors. I want to say how grateful I am to be part of this great union and how proud I am of my fellow NAPE Members who have worked tirelessly over the past couple of years to provide services to everyone in our province, during our most challenging times - including Snowmageddon 2020 and more recent Covid-19.

I have been a NAPE activist for the past 13 years, and I am honoured to serve as a Shop Steward, and more recently Treasurer, and member of our Labour Management Team for our Local 6207. Over the years I have attended Women's conferences and Labour Schools where I completed many courses including: Mental Health in the workplace, ASSIST, Violence in the workplace, and have learned so much over the years and I want to continue to learn and grow within our union.

I believe it is imperative to encourage more NAPE members to get involved. I would love to hear concerns and issues brought forward and work on behalf of my fellow NAPE members to find a solution.

I humbly ask you for your support to represent you as Eastern Area Board Member.

In Solidarity,

Kimberley Ennis
