

Lisa J Williams

Re – Elect for

REGION 7

Dear Delegates to the 24th NAPE Biennial Convention

As a union activist, I take great pride in my commitment to the membership that I currently represent in Region 7. I am honored to have been nominated to continue my commitment and representation for Region 7 on the NAPE Board of Directors.

I have been a union member for almost 15 years and within that time a very active Sister. Current President, Local 7104 and Shop Steward, Region 7 Board Member since 2019, elected Alternate Board Member for Region 7 in 2017, Chair to NAPE's Pension and LGBTQ2+ Committees, and Chair to the NLFL Human Rights Committee. My community involvement for volunteerism extends as Trustee to the St. John's District Labor Council, Union Representative - Board of Directors for United Way, a family recipient of a Big for 10+ years to the St. John's Big Brother/Big Sister, and my whole-hearted commitment is to all members within NAPE. I invite you to read the Region 7 report on NAPE website for the 2019 and 2021 Biennial.

As a Board Member representing you, my voice will be your voice, to speak with the best interests for all within Region 7. Since my involvement as an Alternate and current Board Member, I have made myself available, at any time, to offer advice, guidance and mentoring to new Local Officers, as well as lending an ear should a member require someone to listen. The position of Board Member is taken very studiously, with professionalism and respect for all those that I represent.

My involvement to our union is selfless and intentions are pure. I take pride with the responsibility bestowed upon me with your VOTE. I asked for your continued support to have a strong voice.

In Solidarity, Lisa
