

My Name is Tiffany Sellars, and I am writing today for your support as I run for the position(s) of *Alternate* for your Eastern Area Board Member and/or Region 6 Board Member

I have worked as a Personal Care Attendant at Agnes Pratt Home Local 6217 for the past 7 years. Over those years I have been a very proud and involved member of NAPE.

My involvement with my local began with me becoming a Shop Steward. From there I ran and was successful in becoming Local Vice President, and at our last AGM I was elected Local President.

I am very proud of my role as Local President, and I work hard to ensure that my duties are completed, and that my local members are well informed and well represented. I take part in all training that is available, and have completed Level I, II & Advanced Shop Steward. I was the co-chair for the LPN/PCA Work-Life Balance committee- which addressed issues surrounding healthcare staffing issues- I was also part of a meeting the Premier Furey where these issues were brought forward.

As a Young Worker-I am very interested in continuing and growing my Union involvement- and sharing my experiences and knowledge with members around me.

I am a very honest, accessible and hard working person- I would treat any new role with the same enthusiasm as my current ones- and for this I humbly ask for your support.

In Solidarity,

Tiffany Sellars, President NAPE Local 6217
